

53rd ICON Conference Gwalior, 19th to 21st September 2025

Radiation Oncology Competition – Abstract Submission

Dear Dr/ Sir/ Madam,

We invite you to the 53rd ICON Conference from 19th to 21st September 2025 at Gwalior. The competition rounds shall be on 19th September from 8:00 am onwards.

At each ICON Conference several competitive events are held to showcase and reward the best work in the field of oncology. During the 53rd ICON Conference, there will be seven competitions.

This refers ONLY to ICONs RadioTherapy competition for young radiation oncologists and MD Radiotherapy PG students (please see list of other items at the end of this circular). (Please contact purvish1@gmail.com for details regarding this AND other projects/competitions or for any clarification)

Anyone who is registered and studying for MD/DNB in Radio Therapy or has completed MD/DNB in Radio Therapy within the last five years can apply to take part. They should be citizens of India and the work should represent that done in India.

The topic can be of your choice in any radiation oncology field. Additional marks will be given to the work that specifically focuses on unmet need of importance to India and other low and medium income countries, especially for cost effective solutions.

The project material can include one or more of the following:

1. Printed handouts
2. PPT slides
3. Videos
4. Standees
5. Display items
6. Details of additional resources
7. FAQs
8. In case of further questions, whom/ how to contact

The application must include a structured executive summary using the same headings (as above).

Scoring of eligible applicants and their submissions will be done by independent panel of Senior Radiation Oncologists and shall give equal weightage to each of the about eight points.

Only those project reports/ competition applications that meet minimum criteria (based on panel of independent Senior Radiation Oncologists) will be shortlisted and qualify for presentation during the competition session

There will be three prizes (and certificates): First prize will be Rs 15,000/-, Second prize will be Rs 10,000/- and Third prize will be Rs 5,000/-.

Benefits of qualifying for the ICON Radiation Therapy Competition (for all applicants whose application is accepted for entry into the competition)

1. Certificate of participation
2. Publicity on ICON website and associated URLs.
